## March 2017 ICM CONNECTION

Thanks to a treasured partnership with WBGL, every child hosted through ICM received special Valentines made by WBGL listeners!

The St. Joseph-Ogden Student Council made blankets for children coming into care with ICM. We are so grateful for our next generation of Kingdom workers!

## Because of Your Support...

### *In the first two months of 2017:*

- We have celebrated with a mom who has gained employment with a partnering ministry.
- A pregnant mother received the emergency help she needed while she was actively suicidal.
- 18 children found safety in our host homes, while we surrounded their families with support.

**And we are just getting started!** Thank you for being a part of these families' stories. Your support - whether it's through prayer, time, tangible resources, or finances, is changing lives. We are blessed by your partnership.

If you would like to find out about more ways to serve vulnerable families through the services offered at ICM, please contact Lisa Sullivan at 217-355-4446 or [partner@icmfamily.org](mailto:partner@icmfamily.org).

## PRAYER REQUESTS

- Please pray for all the families we are serving as they make brave decisions to better their future and stability.
- Also pray for our volunteers, many of whom are recovering from various illnesses brought home by their school-age children. May they experience complete healing and be renewed in their strength to serve.
- Pray for our growing staff, that we may continue to serve with grace, compassion, and wisdom.
- Lastly, pray for many adoptive families as they continue to struggle with enduring the waiting period before bringing their adopted children home.

### BECOME A CHAMPION OF ICM

You can help us encourage and restore families across Illinois. Discover all partnership options by clicking the "Donate Now" button.
